

Customer Notice

PRIORITY LANES FOR FRESH PRODUCE REEFER EXPORTS.

Reference is made to our earlier notice on 19th April 2023 regarding the closure of the Acceptance Period for Export Cargo and our notice on 04 May 2023 to shippers of containerized perishable produce **granting priority lane in all our entry gates.**

In line with our continued endeavor to improve customer experience, Kenya Ports Authority (KPA) wishes to inform exporters of Fresh Produce (Reefer Cargo) through the Port of Mombasa that in line with our trade facilitation initiatives, **priority lanes are available and operational** at the Port of Mombasa to facilitate delivery of reefer exports, this includes access to Port Scanners.

We shall continue to give priority to all fresh produce (Reefer Cargo) exports to improve our region's balance of trade.
