

THE MADARAKA EXPRESS FREIGHT SERVICE

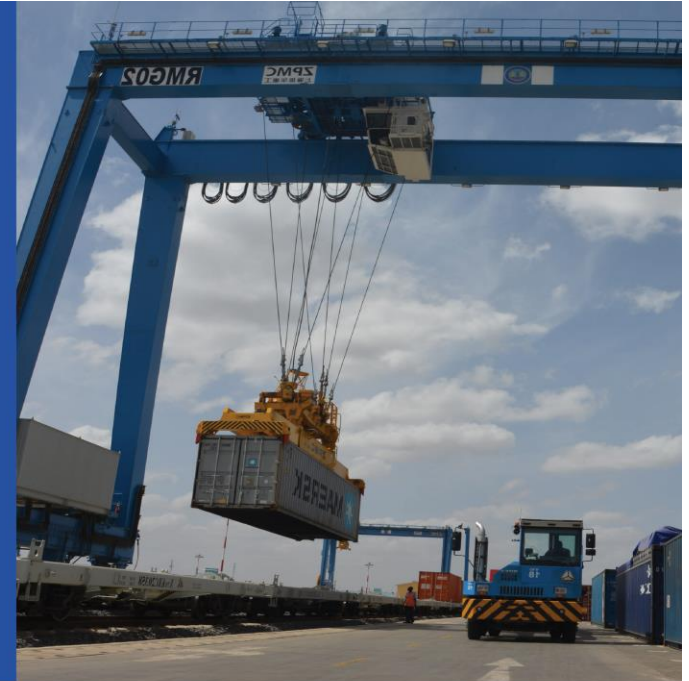

Safe • Efficient • Reliable

FREIGHT OPERATIONS

BACKGROUND

Commercial operations of freight services on the Standard Gauge Railway network commenced officially on 1st January 2018 between Mombasa and Nairobi. The first phase involves transportation of containerized cargo to the Inland Container Depot in Nairobi (ICDN). We are currently working to operationalize the Nairobi Freight Terminal (NFT) which has been designed to handle both loose and bulk cargo.

Container Business

Haulage of 20 ft and 40 ft containerized cargo from Mombasa to Nairobi and vice versa.

Cargo moved Includes:

- Containerized steel.
- General containerized cargo.

Bulk Cargo Business

Haulage of bulk cargo which includes:

- Bulk grain in hoppers.
- Bulk fertilizer in hoppers.
- Vegetable & other Oils in bulk tank tainers.

KRA Cargo Verification Schedule

0800 - 1000 hours

1250 - 1500 hours

1630 - 1830 hours
