| <p>Question 1: Page 14, clause 2.8.4 of the RFP document states that "... firms incorporated in Kenya where indigenous Kenyans own 51% or more of the share capital shall be allowed a 10 % preferential bias in proposal prices..." In view of this, kindly clarify the following:</p> <p>a) In a case where the firm is incorporated in Kenya and indigenous Kenyans own 51 % or more of the share capital, does it matter whether the Kenyan firm is the lead firm in a consortium, an associate in the consortium or a sole consultant for this clause to apply?</p> | <p>No the legislative framework provides for firms not consortia</p> |

The rest of the terms and conditions remain the same

Yours faithfully,

Yobesh Oyaro
