Dear Bidders,

RE: ADDENDUM NO. 1

TENDER NO: KPA/015/2018-19/EE-SUPPLY, INSTALLATION AND COMMISSIONING OF
A 250KVA & 60KVA STANDBY GENERATORS AT LAMU JETTY AND MD
RESIDENCE MOMBASA

Pursuant to clause 10.1 of the tender document, the Authority hereby issues the following addendum: -

Question 1

We seek clarifications on the acceptable format for the following:-

Shall be signed (where signatures are required) by a duly authorized representative as evidenced by a Power of Attorney (**Mandatory**).

Answer

This is a simple format in which the person signing on behalf of the bidder (company) is identified (full details given including contacts and signature) and a commissioner of oaths certifies the same documents.

Question 2

This invitation to tender is open to Electrical contractors who are Duly Authorized Local agents of manufacturers of Generators and who shall demonstrate Technical and Financial capability to execute the works envisaged in the tender document and are Registered Electrical Contractors with Ministry of Energy's ERC Class A-1 and National Construction Authority (NCA) as Electrical Engineering Services Contractor; Electrical Installations Class NCA – 1 and Generating Plants and Control Panels Class NCA-3

Joint Venture is not applicable. -----allow joint venture as installation works are mainly sub contracted under main contractor scope.

Answer

Joint venture is not applicable

Question 3

As indicated in section 1: Invitation for Tenders point 1 (page 5), the tender is open to eligible contractors having ERC Class A1 and Electrical Installation Class NCA 1 and Generating Plant and Control Panels Class NCA 3. ERC Class A1 and NCA1 contractors can deal with all types of electrical works including generators. Is it mandatory to have Generating Plant and Control Panels Class NCA 3 also in this case?

Answer

The requirement has been revised to ERC Class A1 and Electrical Installation Class NCA 4 and Generating Plant and Control Panels Class NCA 3.

Question 4

Query 2. On Page 57, the preferred makes for 60kVA prime mover/ Engine and Alternator have been provided but the same has not been done for the 250KVA Generator unit. Kindly clarify whether we can consider the preferred makes for engine/ prime mover and alternator for the 250 KVA Generator as mentioned in 60 KVA data sheet

Answer

This is agreeable.

Question 5

As per the Tender data sheet TDS on page 41, it was mentioned FAT and Local Training for KPA staff, but the same is not indicated in the Bill of Quantities. Kindly clarify whether the FAT and Local Training for KPA Staff is to be considered or not, if it is required Please provide the details of the No of persons and no of days.

Answer

No FAT or Local Training is required.

Question 6

On Page 11 point 4.1 states that an entity can place a bid individually or as a partner in a joint venture but page 33 of the tender data sheet states that joint ventures are not applicable. Kindly clarify if joint ventures are applicable for this tender or not.

Answer

Joint venture is not applicable

Question 7

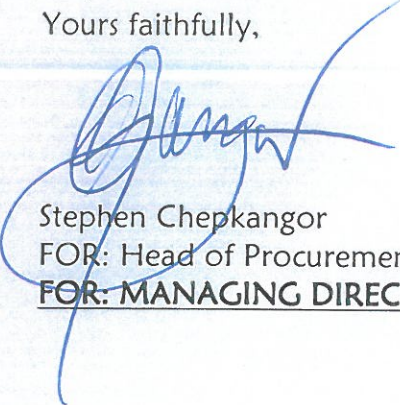

As per the Tender data sheet TDS on page 36, National ID copies for Owner of the Tendering Company is a Mandatory Requirement. Kindly clarify tendering firms with foreign directors/owners can submit Passports of the said directors/owners.

Answer

Tendering firms with foreign directors/owners can submit Passports of the said directors/owners

All other conditions remain the same.

Yours faithfully,
