PSM/CTC/1/01 (041) Vol. 1

16th November, 2018

Dear Bidders

Addendum No. 1

TENDER NO. KPA/041/2018-19/MO - PROVISION OF ENVIRONMENTAL AUDIT SERVICES (RFP)

Pursuant to clause 2.2.2 of the tender document, the Authority hereby issues the following clarification:

Question 1: Kindly clarify on bank Guarantee: Is it needed now or after contract award? What will be the percentage (%) to be used or base amount to be effected for the bank to act on it.

Clarify too on the amount or percentage to be used to base the tender security amount by the banks or Insurance firms.

In this regard, my humble request is that in case it takes more than two days to put up the addendums in regard to the above issues, kindly give extension on the submission date. This is because some firms are not based in Mombasa and now that the banks/insurance firms are involved, it will take time to work on the security documents, delaying the set delivery time of the tender documents due to the distance involved.

Answer: As per the Tender advertisement, tender security is not a requirement under this process.

All other conditions remain the same.

Yours faithfully,

Antony K. Nyamancha
